About P³S Corporation

P³S Corporation was founded on the kitchen table of Mary Ellen and Sam Trevino in 2005. After 12 years of federal service for a branch of the Department of the Treasury, Mary Ellen Trevino recognized the growing need for responsive, skilled, and regulatory-compliant human resources to meet growing demands of agencies. With Performance, Productivity and Powerful Solutions as the business model, the Trevinos created a company that helps the federal government meet its mission – ultimately saving taxpayer dollars.

P³S Corporation grew from one employee in 2005 to more than 250 employees in 22 states today. The firm started in a 400 square foot home office, and currently has more than 50,000 square feet of office space in across the country, including field offices in Atlanta, Ga., and Dayton, Ohio.

P³S Corporation currently supports the Department of Defense, the Department of the Air Force, the Department of Labor, the Department of Veterans Affairs, the Institute for Telecommunications Sciences, the National Institute for Standards and Technologies, the Centers for Disease Control and Prevention, the Department of the Interior, the National Nuclear Security Agency, and other federal agencies across the nation.
